

WORKLAMPS

EW2461 Series Magnetic Rechargeable LED Worklamp

Featuring a high intensity 600 lumen flood beam and three operating modes (100% intensity, 30% intensity & SOS flashing), this heavy duty battery powered Worklamp combines mobility with high performance and a compact design. The long-life, lithium rechargeable battery allows the Worklamp to be operated for 3-4 hours before recharging is required. Supplied with a usb charging lead and USB/cigarette adapter.
